“ Dear Cousin Rosie: I know there's a time for everything, but I was not ready for your sudden departure. I'm comforted knowing you're in heaven with no more pain and reunited with your mom and other loved ones. Thank you for teaching me about our family name and heritage. Thank you for the many ways you showed love to me. In my heart you will always be the cool, calm and chic office girl I admired and wanted to be like. Love you! Jane
