“Joan was my travel companion to ABC, first in Kentucky then in Indy. We always had a blast, her sense of humor was unique. Joan had an ability to speak her mind and be honest without ever hurting anyones feelings. Joan was a real friend, one you could call any time and she would be there to listen. Will miss you so much Joan, I could always count on you to give me your point of view. Rest In Peace my friend, till we meet again.
