

Mr. Roy Allan Burke

October 2, 2017

Suddenly and without prior notice, Roy A. Burke, departed this earth on October 2, 2017, in his 73rd year. He is survived by his 5 brilliant progeny, Cheryl (Bob), Karen (Ross), Eric (Ashley), Jennifer (Sacha) and Gary. Roy was thrilled to see the replication and stabilization of his genes live on in his children and later in his four grandchildren, Olivia, Claudia, Julia and Callum. Roy is also survived by 5 siblings and numerous nieces and nephews.

Roy was born in Glace Bay, Nova Scotia but yearned for bigger things and moved to the big city of Toronto, Ontario. His good looks and charm landed him not one, but two wives, who are also survived by his passing.

Roy loved animals and had many dogs and cats during his life time. At the time of his passing, he left behind his two beloved cats "Charlie and Diamond"

They miss their Daddy dearly. Roy also loved sports and had an eidetic memory for stats, scores and players, especially in baseball and hockey.

Roy's regrets are few and unfortunately, he never completed his Memoir "Everyone is Entitled to My Opinion" before he passed. Perhaps his children and the many strangers he met while working at M.E.T., can help see the book come to fruition.

He respectfully requests the attendance of Auston Matthews and Lou Lamoriello at his life celebration, as he knows they won't show up, and The Toronto Maple Leafs can let him down one last time.

Roy's family is saddened by his passing but happy to have one another to lean on and laugh about all the funny things Roy did to make life enjoyable.

Please share your memory of Roy.
