

## Rudy Von Skopczynski

December 23, 2017

Rudy Von Skopczynski Jr. passed away peacefully on December 23, 2017. He was born in Montreal on February 14, 1947 to parents Rudy Sr. and Michalina. Rudy was a beloved brother to Nina (Javid), Renee and Ken (Bonnie) (sadly both deceased), uncle to niece Javina (Sam), nephews Noah, Chris (Sandra & baby Lina) & Ryan & cousin to many. Special thanks & much appreciation to Sue (love of his life) and cousins Mark, Linda, Mia & Jim for all your love, help, support & compassion for Rudy. Always loved & always missed. RIP ♡ " Rudy had a lifelong love of animals, one which brought him to his destiny: A race horse trainer. It was here where his talent shone and where he left a bright legacy. We are proud of all of his accomplishments, and prouder still of the warm heart and kindness and humour with which he lived his life and enhanced everyone who spent time with him. " Oh, Baby", you'll never be forgotten."

“ I’m going to miss you my very dear beloved brother. I’ll miss our phone calls & your voice calling out Nine, Nine, Nine whenever I tried to give you instructions on how to take care of yourself & how to live a better life. You were our loving gentle giant. I will love you & miss you forever. My only consolation is that you are in the best of hands with Mom, Dad, Kenny & now Bonnie. Rest In Peace Love. You no longer need to worry about Renee. She lives close to me now & enjoys her residence & the fact that she never has to cook or wash dishes again. 😊😊❤️
