

Ruth Ann Campbell

August 15, 2024

With heavy hearts, we share the passing of Ruth Ann Campbell, known affectionately as Rudy, who left this world peacefully on August 15th, 2024, at Lakeridge Health Oshawa, surrounded by her loving family, after a short but courageous battle with cancer. She was 67 years old.

Born on March 19th, 1957, Rudy is survived by her beloved husband James, devoted mother to James (Jackie) and Paul (Stephanie), and the adored grandma of Autumn, Addison, Memphis, and Harper. She was also the daughter of the late Mary and Joseph Flynn. Dear sister of Mary Lou (Ron), Joanne (predeceased) and Patricia (late Hugh).

Rudy was a beacon of kindness, warmth, and resilience, touching the lives of everyone she met. She was the family's biggest cheerleader, always present at her children's hockey games and later, cheering on her grandchildren from the soccer field, skating rink, and poolside.

A lover of simple joys, Rudy found peace and beauty in the small things — whether enjoying a cup of tea with family and friends or meticulously tending to her garden.

A warm and caring person, Rudy was known for her welcoming nature and her willingness to help others. Her love for animals was evident. It's comforting to think she will be reunited with her cherished family, friends and pets.

Friends are welcome to attend a visitation and celebration of Rudy's life on August 29th from 2:00-4:00pm at Rossland Park Country Club - 500 Mayfair Ave. Oshawa

In lieu of flowers the family kindly requests those who wish to express sympathy to consider donating to Canadian Cancer Society https://cancer.ca/en/ways-to-give/daffodil?donate=562&gad_source=1&gclid=EAlalQobChMIkuzt-tj3hwMV1yfUAR3d1xvbEAAYASAAEgKeuPD_BwE

“ Rudy and Jim came into my life at a young age. From the moment I met them, I was greeted with big smiles, so much love and even bigger hugs. As I grew up, went on to college, and moved back home to start a family - it didn't matter what season of life I was in, I was always greeted like no time had passed. With big smiles, love and even bigger hugs.

There are few people in life that you will meet, who is as pure as Rudy. I aspire to carry the same joy and positivity, everyday, as she did. You will be immensley missed and always remembered

“ My sweet and beautiful grandma you'll be forever missed. From the memories of baking banana bread together, you watching me grow up into the soccer player I am, seeing you at my games on the sidelines, talking about my future and you telling me how proud of me you are I will never forget the impact you had on my life in such a positive way. Each time I'm in a beautiful garden or wearing the colour blue, I will think of you and your favourite things. I know when I go off to college in a year you will be with me each step of the way helping me. I love you more then words can describe and know your in a better place watching down on me keeping me safe.
