“ *Funny thing I will never forget is when we were living on the 10th line. I was probably about 10, Ruth 9. We were out back on the porch, and a bee landed on Ruths head. I had a frying pan close by and grabbed it to smack the bee when Evelyn grabbed my arm and yelled at me. I said "What, I am trying to stop the bee from stinging her" Lucky Evy was there I guess. Never forget those times.*

One of the things I remember from those day is. if Ruth caught a Frog she would carry it around inside her dress all day.
