“ We were so saddened by the news of Mom Pool's passing. She was such a kind and generous person - a true lady in every sense. I have so many fond memories of the years I lived with Mom Pool and the many visits we had following. She will forever live in our hearts and memories. Our thoughts and prayers are with you, Judith. Big hugs to you. Sharon and Peter

“ I am so sorry for your loss. I will always remember what a lovely, very gracious and welcoming lady Ruth was every time I joined the group at the club for lunch. My thoughts and prayers are with you, Judith, at this difficult time. Sincerely - Jean MacDougal
