“ *I remember Sabrina when she was a teenager in the Oshawa Festival Singers (Durham Girls' Choir) and she was such a cheerful and happy person. It is always such a tragedy when someone so young and talented is taken from us. My prayers are with the family and children at this time of sorrow.*

“ *The Cord*

*We are connected,
My child and I, by
An invisible cord
Not seen by the eye.*

*It's not like the cord
That connects us 'til birth
This cord can't been seen
By any on Earth.*

*This cord does it's work
Right from the start.
It binds us together
Attached to my heart.*

*I know that it's there
Though no one can see
The invisible cord
From my child to me.*

*The strength of this cord
Is hard to describe.
It can't be destroyed
It can't be denied.*

*It's stronger than any cord
Man could create
It withstands the test
Can hold any weight.*

*And though you are gone,
Though you're not here with me,
The cord is still there
But no one can see.*

*It pulls at my heart
I am bruised...I am sore,
But this cord is my lifeline
As never before.*

*I am thankful that God
Connects us this way
A mother and child
Death can't take it away!*

Yvonne, I wish I had the words to lighten your agony, but sometimes words are just not enough. Sending you my heartfelt prayer that you may find the strength you need to get through each day.

A beautiful rainbow came into your lives and left too soon, but never to be forgotten. Sabrina's strength and beauty lives on in her two beautiful children, Kenneth and Elouise

Lots of love, Dawn Jorgensen.

“ Words cannot describe how much I will miss Sabrina. We talked almost every day, some serious and some were just foolish laugh a lot chats. She was a perfect fit for our family as she truly got our sense of humour and Jeremy's constant teasing. I will think of her each time I mash potatoes (she will understand this) and at all of our family gatherings.

We will always keep her in our hearts and we know she will be there in spirit.

“ Words do not describe how much I will miss Sabrina, we talked almost every day, some were serious and some were deep laughing foolishness. She fit so well with our family and definitely got our sense of humour. She was beautiful inside and out. We will keep her with us forever in our hearts. Will be reminded each time I mash potatoes, she will understand that comment. Sorry she had to leave us and I know her spirit will visit.

“ Sabrina was my sister-in-law, but was more like a sister to me in every sense of the word. She was my friend, confidante and always had my back no matter what. She and I shared many rye and cokes together over the years, and she will always be my dance partner every time I hear Tainted Love. I know that whenever I make fun of Ger, she'll be laughing with me. I will miss you Sabrina. You're journey through life is inspiring with your unwavering strength, determination and devotion to your family. I will think of you everyday. I love you.

“ *Not knowing Sabrina's tremendous burden, I got cranky with her for chatting away in choir, little knowing she was the wiser of the two of us. Sabrina lived every moment, sang her heart out, and obviously gave it her all in trying to kick that horrible cancer in the pants. May her spirit soar and continue to envelop her family in the fierce love with which she faced life. Rest in peace Sabrina.* ”
