“ I just would like to give our condolences to Sam's family and friends. It was a shock to hear of his passing. I know he will be missed by many. His devilish smile is something I will remember always, and his light hearted nature. Donna Brennan (neice of Sam)

“ *"Memories are the legacy of love"!*

*When the Lord calls our loved ones home He leaves a gift of memories in exchange. There are so many wonderful and happy memories we have of our Brother Sam. Space would not allow us to list them all but the ones we hold dearest are: his impish smile, sense of humour, love of life and family, surprise visits and his kind, and generous nature. If we were to describe him in a biblical verse it would be Galatians 5;22-23 which lists the fruits of the spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control. Sam possessed them all. Sam's sudden passing created a void in our hearts and we're sure in the hearts of everyone he touched.*

*We pray that God will fill each and every one of us with the many happy memories we have which will carry us through this very sorrowful time.*

*"Those we love most dearly never truly leave us".*

*Brothers John, Jerry and Sister Peggy and family.*
