

Sandy Joyce Hummel

October 5, 2021

Peacefully passed away at Lakeridge Health Oshawa on Tuesday October 5th, 2021 at the age of 75 with family by her side. Beloved wife of Neil Hummel, loving mother to Denise and Brian Hummel, loving grandmother to Joshua Thompson and loving great grandmother to Landon Watts. Sandy will be lovingly remembered by all her dear friends and family, both near and far.

Sandy's legacy is graciously left behind as a registered organ donor, to help those she can afterlife as she had always done in life. Her wishes were to be cremated and brought home to rest, as such there will be no formal service.

Please leave us your fondest memory of Sandy in the guestbook to read and reread when we are missing our beloved family member.

Tribute Wall

ER

“ *In honor* ❤️

ER

“ *Sandy was so selfless, always ready to lend a hand and help me out when it came to watching Landon. I am so grateful to have known the soul Sandy was and will forever cherish our time spent at every birthday or outing we shared.*
