

Ms. Sara Sherfey Grande

April 25, 2016

Sally (Sara) Grande left us on April 25, 2016 to venture where no man has gone before. She was 64 years old. Sally leaves behind her brother Michael Sherfey (MaryEllen Muth), nephews John and Sam and her brother Jay Sherfey (Claudia Aikens) and nephew John and niece Kirstin. She also leaves behind many, many dear friends that she made throughout her life, from all walks of life. Her talents seemed to be endless. Artist, intranet and internet designer, teacher, librarian, playwright, volunteer extraordinaire. Devoted to many causes, she was a Vegan Trekkie who embraced all cultures. She led a purposeful life and made an impact in this world, which is what we can all aspire to achieve. A memorial service will be planned to celebrate her life. Any messages you wish to leave for her family, would be welcome. In lieu of flowers, donations to the Toronto Vegetarian Association would be appreciated. The Toronto Vegetarian Association has provided a beautiful tribute to her life. Please visit <http://veg.ca/2016/04/26/sallygrande/> Live long and prosper Sally, wherever you are.

“ *Sally was such a beautiful individual with so many talents. As a fellow artist with The Oshawa Art Association, known as the Carrot Lady, shared her artistic talents, her sense of humor, and love of Star Trek, I will miss our discussions. To a devout Trekkie, appropriate for today's date, May the 4th be with you Sally. My sincere condolences to the family.*

“ *We drift in and out of each others lives, we meet in certain circles and at certain times - we lose touch, but remain friends, we exchange ideas and build together but we are not in each other lives, months pass, sometimes years but the friendship does not diminish - I was last in touch with Sally Grande last November when she emailed me to let me know she was ill. Tonight I found out she has passed away. Sally had many lives - activist, librarian, artist, we bonded over McLuhan, she was a student and had access to his coachhouse in Toronto, - together we created the McLuhan Cafes a few years back to discuss city building and planning using his theories. We had a lot of fun, she was a lot of fun, such a great sense of humour which anyone who has seen her carrot paintings will testify to. She was a wonderful person and I will miss her. My deepest condolences to you and her family*

“ On a visit to Sally's, quite a while back, she took me to Richters Herbs. I bought two big trays of different types of thyme, never knew there were so many varieties. Just could not stop buying ... with Sally's encouragement of course.

Trip home on the GO was very interesting. A kind gentle soul.
