

## Mr. Scott David Legault

April 13, 2013

Born November 25, 1971. Died April 13, 2013.

Beloved husband of Melissa (Brown), much loved son of Heather and Peter, dearest brother Kevin (Livia) and niece Sienna Alexandra (3 weeks old), great friend to his brother-in-law Greg (Pavlina) Brown and his sister-in-law Alison (Jamie) Sawyer, nephew Mason and niece Carolyn, respectful son-in-law of Dennis Brown. Scott made many friends wherever he went. His closest and most loyal friends, Lisa Capannelli and Barrie Sheppard visited him often at the Milton Hospital and made his life as pleasant as possible for the last six months of his journey and were present when he passed away. Scott loved the good life, travel, fine foods, wines and people. Wherever he went he engaged people in conversation so they always remembered him when he returned. It's been said he had a face that wasn't forgotten but maybe it was his interest in other human beings that made him so memorable. Scott loved his life and he kept his sense of humour and positive attitude until very near the end. We have all learned so much from his example of courage and dignity when facing the inevitable. His family sincerely thanks all of the Palliative Care nursing staff at the Milton Regional Hospital for their attentive and loving care shown to him. We also wish to thank Dr Kiss and Brent at the Trillium Hospital, Mississauga Campus for their outstanding care and concern. We will never forget any of you. Private family service. A Celebration of Scott's life will be held on Friday May 3rd at St. George's Golf and Country Club from

4:00 to 6:00 PM. No flowers please but a donation to The Humane Society or to the Charity of your choice would be appreciated.

“ Dear Melissa , Heather ,Peter and Kevin.

We were so very sorry to hear about Scott but appreciated the time that we were able to spend with him as a neighbor and business associate over the past 28 years .

He had a great sense of humor with an ability to convince you about the merits of a clean car second to none . When we hired him to work on our computer systems at our office he never failed to make his presentation on what we had done wrong but now we were in good hands an enjoyable experience .

When ever I ran into him his smile always appeared in quick time mostly followed by a mischievous comment on life in general .

A great guy and certainly one of those people you will always remember !

“ I had the good fortune of attending grade school with Scott. He was one of the very few class acts who did not participate in the bullying back then. While we were not close friends by any means, my recollections of him are happy, peaceful and pure.  
My deepest condolences.

“ I just wanted to say what a nice guy Scott was and offer my deepest sympathies on his passing. I enjoyed working with him but also liked him as a person - we used to talk about wine together, and he was very patient with non-techie me when I'd mess up my computer. He was cheerful and funny and brave and you must be very proud of him. I'm so sorry for your loss, and can only wish you the fondest memories of him.

He was the kind of guy that people were always glad to see, and I feel fortunate for having known him. My deepest condolences to Melissa, and to the rest of his family & friends.
