It is with our deepest sorrow that we announce the passing of Sean Eric Arthur Tippett.

Sean lost his valiant effort to battle Cancer on September 15 2020. He is our true hero!

Sean's inspirational existence consisted of his love for his home, Newfoundland and all of its glory, his passion, riding free on his Harley with his "Brothers" and his zest for a simple life.

Sean is survived by his mother, Linda Hodder, his father John Tippett (wife Linda), Sean's wife, Tammy Bieuz Tippett, his sons, Mathew (wife Sheri) and Cole. His sister, Nancy Olympia , his nephew, Trey and niece, Emma, his devoted dog Harley along with many other friends and family near and far.

We will never say goodbye but rather we love you and will see you soon!

“ Back in the 90's, me and Eric we're very close buds at school. He often helped me with my homework and we always went out on our dirt bikes. We did everything together, and just recently I heard the announce of his death. I'm very sad and my heart truly goes out to the Tippet Family, Love y'all.

“ *Sean, Auntie was so happy to see you not to long ago, I loved every late night text, middle of the night funnies you would send me, the last phone call that had you piping up in the back ground, that long serious call we had where you just listened....because you couldn't talk, I remember watching you skate board around the parking lot on Stong court with my nephew, our frequent Wonderland late trips for the night time coaster rides, being your babysitter when your parents went to Jamaica, teaching you how to tie your own fly's for the next season of fishing on ragged harbor river. Enjoy your endless fishing times and all the cruising you can do now with your uncles and poppy. See you on the other side... pick me up on the bike when I get there. Love you Michelle*

“ Sean was someone you could always go and talk to and someone to listen. He has such a pure heart. I will forever cherish the talks we had sitting at the table laughing and crying and just having a good time. And hanging out at the invasions having a drink and laughing away. You will forever be missed uncle Sean. Forever and always

“ I got to spend last Christmas eve with Sean's family at Nancy and Linda's place. It was a great evening. Lots of laughs and fun. Best part was watching him open his present from Nancy. She insisted he opened it there and not the next morning. She had got him a ring. The trick was that it was wrapped up in a box, in a box, in a box etc. I think there had to be about 20 boxes in total. Each one wrapped. Halfway through there was a bottle of water. The look on his face everytime he realized he had another box was priceless.

“ So many great memories. Can't pick just one. He was a wonderful person. He loved his family very much. I'll never be forget the night Cole was born. He was so happy! Followed that up by marrying the love of his life. He will be missed terribly. See you soon Sean❤️

“ Sean or as we all called you Tippet. I know your wife will miss you dearly. I can remember meeting you many years ago and danforth and danforth coffee time, are one of my many bar nights, we all chatted for a bit and had a coffee the. It was home time as it was 3 or 4 in the morning, you made sure I got home safe or someone was taking me home. You always thought of others before yourself and that's what I will always remember of you. It's not goodbye it's see you soon REST EASY TIPPET
