“ Rick and Family,
Our deepest sympathy to all of you. We will miss our 'across the street' waves and talks with Sharon! We loved chatting and catching up on the latest movies she had seen or talking about our gardens.
We will miss her very much!

“ To all of the Bolli family and especially Rick, I am so sorry that you have lost your delightful Sharon and her wry sense of humour. The photo shows the twinkle in her eye. I remember having lunch with Rick and Sharon (and my late husband, Norm) at the Rope Loft pub in Chester. It was such fun. Maybe Norm and Sharon will have a visit out there? I will hang on to that. Hugs, Laurel

“ Oh Auntie, I am so sorry that you have passed onto your new adventure - because I - and all of us - have lost your kind and gentle spirit. So much needed in these days of turmoil. You took me in when I was a wayward youth and helped me through some 'interesting' teen years. I will never forget. My Eastern family. So important! So loved.

“May the road rise up to meet you. May the wind always be at your back. May the sun shine warm upon your face, and rains fall soft upon your fields. And until we meet again, May God hold you in the palm of His hand.”

“ I well remember the day I met Sharon - I was 10 years old and she made an everlasting impression on me - she was a vivacious, always welcoming, wonderful wonderful favourite aunt - the glue and the rock for her family - she was always loved and will never be forgotten.
