“ I’m so sorry to hear that Sheena has passed. I met her thru CAA and enjoyed all of our conversations, her love for life, for her family and for her four legged family members came thru on every call. I am so sorry to hear that she is no longer with y’all. Sending a hug to you, and a send to her, I know she is looking over you

“ This news was hard to accept. She was a bright light for all with her smile and spirit, loving her boys so fiercely. I'm sad for the whole family, and that Mr. Perfect will miss having the best Aunt he could ever have. I know with the morals and values she instilled in Bearett and Kingston, that they'll continue to grow to be successful men. Always going to think of her fondly and hope she followed the yellow brick road to a place of peace.

“ I am saddened to hear about Sheena's passing. I've had the pleasure of knowing her for over 25 years. We worked at Video King together. I remember the rings on every finger, the laughs and her smile and love of her family and to her family. She was forever appreciative of her family's support and love. She cherished her boys and her pups. I hope she is resting in paradise. My thoughts and prayers to her loved ones.

“ *It’s with a heavy heart that I remember a remarkable colleague and friend, whose life touched ours far too briefly. Referred to our company through a bond formed over warm, genuine service and unforgettable phone interactions—she became my very first referral, and a treasured one at that. Affectionate, lovable, and full of quiet strength, she made every interaction feel meaningful. My deepest condolences go out to the parents who lost their child, and to the sons who lost their beloved mother. I pray for strength, healing, and direction for the family during this unimaginable time. Till we meet again...*

“ I was devastated to hear this news today. Sheena was one of our brokers at Roughtey with her mother, Lisa, and we all got along so well. Loved me able to have a quick chat while also doing our work. After she left and went to CAA we kept in touch on Facebook. Sheena was just a sweet person, loving mother to her two sons. My deepest condolences to her entire family. She will be missed.
