

Ms. Sherry Elaine Toland

October 11, 2016

On Tuesday, October 11, 2016, Sherry passed away at the age of 70, following a short illness. Sherry is lovingly remembered by her son Paul Percival and daughter-in-law Laurel, daughter Marty Percival and Johnny. Sherry will be missed by best friend Heather, her adopted family John, Karen & Marg, 'cuz' Liz, and her beloved Meldrums: Sodie, John, Grace & Ava, as well as so many other dear friends whose visits meant so much during her final days.

Before her long career working with the RCMP in Vancouver and Toronto, Sherry led a fun and full life. She was a gifted athlete, always up for an adventure. She was a member of the Canadian National Diving Team, a talented gymnast and trampolinist. She was even in the Circus! Her adventures continued well into her 50s, diving off cliffs in the Caribbean and bungee jumping off mountains.

As per Sherry's wishes, there will be no funeral. Many thanks to Dr. Blachford and the team at BramEast Family Health and Sherry's favourite angel nurse Navjot of Saint Elizabeth's.

Her sparkling blue eyes and beautiful smile could light up any room. We loved her dearly and now she is at peace.

“ Sherry was a beautiful and magnificent athlete... watching her dive would give thrilling gasps to many many people. She certainly turned the head of my equally talented and fun-loving cousin Bobby Percival. And looking into the sparkling eyes of their children Marty and Paul you know their energy and sweetness will continue to bless this world of ours.

Thank you, dear Sherry, for the kindness you showed Bobby's sister Sodie. Rest in peace.
