

Ms. Shirley Contois (nee McCabe)

August 16, 2015

May 12, 1939 - August 16, 2015. After a brief but courageous battle with cancer, it is with deep sadness that we announce the passing of our Mother Shirley. Dear Sister of Larry (Alyce) McCabe. Treasured Mother of Deborah Jollymore (Derrick Thornton), Michele Locke (Terry O'Leary) and Rhonda (Tim) Adams. Loving Grandmother of Lisa, Ken, Destiny, Danielle, Michael, Melissa, David, Kyle and Nikki. Great Grandmother of Faith, Mason, Lyle, Kaylynn, Kolton, Kelsey, Kingsley and Megan. Shirley will also be missed by many extended family members and very dear friends. She is predeceased by her parents Elsie (2011) and Melvin (1989). At Shirley's request no service will be held instead a private family celebration of life will take place in her honour. In lieu of flowers donations to the Canadian Cancer Society would be appreciated.

Mom, I miss you so much! You will be missed my many and for the kind of person you were...So accepting of everyone and always seeing the good in each person. I love you mom!!!

Fly Away

The Cancer spreading though out your body, was unbearable for you

Watching you suffer for months on end broke our hearts to

Spread your wings and fly away to peace and harmony

As the angels fly in the sky its truly meant to be

You will soon be set free and feel the glee of no pain, no sadness and no more madness

As your pain ended, your mind mended as you slip away

Grandpa will come and all will be done he will take you away today

Fly away mom, now your soaring throughout the great blue sky's

Your smiling face, your love for life and laughter can't compare

So blessed to have a mother like you, unselfish, devoted and true, for those reasons we will wait for you

We know you will want us to carry on... true love, compassion, laughter will go on

You taught us more then you will know.. Its the way you loved us

forever will grow

Mom, now you can visit the beaches, soak up the sun, you can even enjoy a long lasting run

Do all the things that was hard for you to do...its all a dream that finally came true

*Our mother received the most beautiful wings on this day:

“ *My deepest sympathy to all of Shirley's family. I loved working with Shirley at the Whitby Psychiatric hospital when she joined our staff in the Business Office. She always came in with smiles and enthusiasm. She loved her daughters and grandchildren so much, often sharing stories and photos. Her pets were so comforting to her as well. And of course I remember her love of travelling to all those warm sunny beaches too.*

“ *My deep condolences & prayers go out to Shirley's family as you mourn the loss of a wonderful lady. I had the pleasure of working with her at Whitby Psychiatric in the mid to late 1970's & always enjoyed working with her. Her beautiful, funny personality & her fantastic skills as a psychiatric nurse always made me feel better when working around her. She was kind, friendly, warm & funny to everyone. Loved her laugh & her upbeat spirit.*
