“ My mother Marion (O'Connor) Pascoe was a friend of Shirley's. I remember many mentions and stories of her from mom, all were happy and filled with laughter. My mother and all of us knew of Shirley's kindness and the smiles she gave our mother. I pray they are together smiling as they watch over all of us! So very sorry for your loss.

“ Sorry to read of Shirley's passing. We had some good laughs while I knew her from my high school years. She never messed a trick! She was the glue that kept the high school running for sure. Knowing that, she was a special wife mother mother-in-law and grandmother. She lives in all of you and carry that with you always. Thoughts and prayers for all of you. Carry it on.. John Coleman

“ We were saddened to hear of the passing of your lovely mother. I always remember her working at Sears in the watch department, where they repaired the watches. She was always pleasant and very helpful. I can also remember seeing her at church, and was always smiling, and embracing everyone. Going to the house to call on Kim, the house always smelt like a bakery. I always enjoyed the fresh chocolate chip cookies. She always greeted you, with her warm heart. Even with that many kids living at home, it was always nice and tidy. Your parents worked hard, and raised a beautiful, large family. She was very blessed to have her family always by her side, in sickness and in health, and her passing. Her children, and grand children, and great grand children, resemble her in many ways. You are all blessed to have her amazing qualities, and you all have her contagious smile. I enjoyed seeing her out for lunch with Kim at Northern Traditions, hair done, lipstick on and always looked lovely. She loved her quality time with her children, and their children. She is now seated at the right hand of the Father, and continuing to embrace all those who went before her, and can continue being everyone's Guardian Angel. God Bless

“ My deepest sympathy to the family of Shirley Smegal. As a parishioner of St. Gertrude's Parish, I remember how faithfully Shirley fulfilled her role as a Minister of the Word at Mass. Her deep Faith in Christ and His Church was always so evident in the way Shirley lived her life. May she rest in peace. I will pray for you all.

“ Mom,
I fondly remember growing up experiencing your love, kindness, unselfish devotion to your children, family and friends. I will relish the memories of Christmas cooking, picnics at Orono, swimming, large extended family gatherings enjoying each others company. Looking at my children and grandkids, I see your influence and know your memory lives on in our love for you.

*Love forever,

“ *To the Smegal Family . It is with sadness that we read of your mother's passing. She was a great lady and had a love of family and friends. She will be missed. I still remember the adventures we had at Veterans park down the street from your home . Your mom talked fondly of all her children and grandchildren and great grandchildren. She was a terrific friend to Helen Ayres and Gertie Aasen as well as the others who belonged to their monthly card games in earlier years. May your memories help ease your pain and bring a smile to your face*

“ Well Gram, where to begin! I can remember so clearly the excitement when we would go over to your place growing up. AM 740 filling the kitchen, and straight to the Lazy Susan to get the sugar, flour, and chocolate chips. You would let us sit on the counter and help you, never fussing about the mess or how we wanted to eat all the dough raw. You always seemed to have limitless patience and love, no matter how many kids were packed into your house. I will cherish watching Golden Girls (after Wheel of Fortune of course), making fudge (Uncle Mark has some competition), lunches at Teddy's, trips to Bowmanville for cake, and so many more. I love you, and will take you with me everywhere I go <3

“ Dear Karen and family,

How saddened I am to hear about your dear Mom. She was so kind and generous and always had a beautiful smile! I walk by 387 Eulalie often and reminisce about your family.

You had those cool phones that you could talk to someone down in the rec room. Your Mom made the best fudge ever! You had a big family like ours so I always felt right at home! One thing I will always remember about your Mom was her distinct voice, and I liked the way she said my name.

My thoughts and prayers are with you all at this sad time.

Sincerely,

“ To my beautiful grandmother. She was always there with her ice cream cone cookie jar filled with chocolate chip cookies. She would curl my hair in rags and let me stay up late. The first and only time I've ever had KFC was with her and she was always a willing penpal. She was beautiful, soft, sweet, kind and a lovely person inside and out (but a cheater at bridge). I will always have fond memories of 387, The Boys and Girls Club and Orono. Love you, Gee. xx

“ You will be greatly missed grandma. When I think back on the Sunday afternoons spent at your house it is hard picture it without the sun shining, the smell of garden grown tomatoes, coffee, fudge and your radio picking up the oldies on the AM stations. Thank you for all the Kinder Surprises, putting up with me, my brothers and cousins storming around the house like wild animals, and for leaving that ugly clothespin box I built for you on the wall. Thank you for blessing us with a large family to share your memory with.
