

Ms. Shirlianne Lytle

March 25, 2017

LYTLE, SHIRLIANNE -- Shirlianne passed away peacefully on March 25th at Kensington Gardens after a four year struggle with Dementia. She was the beloved Aunt of Anne, Michele and Pierre Maheux, Greg Hill and John Galway and "Great Aunt" to Madeleine Hill and Sean & Sha Sha Galway. She was pre-deceased by parents Maxwell and Pearl Lytle (originally of Belfast, Ireland) and sister Doreen (Conrad) Maheux -- and the love of her life, Charles Wilson.

Shirlianne will be sadly missed by her family and scores of friends and former colleagues: from her 30+ year career at Mount Sinai Hospital to her volunteer work at Sarasota General Hospital, from her needlepoint stitching circles at Ridley Blvd in North Toronto to her annual winter retreat at The Meadows, and golfing pals from the Ladies Golf Club of Toronto to Tatum Ridge and University Park in Florida. She was a vivacious, warm, stubborn and powerful friend to so many. A tremendous role model for those of us who grew up with her, she loved nothing better than a sunny round of golf, followed by a meal with friends or family accompanied by a great bottle of red wine.

The family wishes to thank the many individuals who were her care team over the past few years including the amazing team at Kensington Gardens, and the unwavering and devoted private care team -- Lori, Rowena, Manette, Nora and Florence who were there for her day and night.

As per her wishes, cremation has taken place. Condolences may be left at www.aftercare.org

Donations in Shirlianne's memory may be made to Kensington Gardens at www.kensingtonhealth.org or Alzheimer Society Canada at <http://www.alzheimer.ca>
