“ Hey you are my oldest sister and i am the your youngest brother we are so far apart but we we always had a fun time you took me into your house every summer you were awesome you let me drive your car when i was a kid John was not happy but you had faith in me i will never forget that. You were the one that i waited to go fishing with because no matter were i wanted to go you drove me there i really miss those days.
When i was allowed to see you at the hospital we talked about those days and it was so nice to remember the good old days.
Sonia you are always going to be missed but never forgotten. Now that you are in heaven because that's where good people go you can see the rest of the family say hi to them from me Kristina and Frances. I will miss you but i will remember all the good time we had together Love you always Tony

“ Mom,

*We sat beside your
bedside, our hearts*

*were crushed and sore;
we did our duty*

*to the end, 'til we could do no more. In
tears we watched*

*you sinking, we watched
you fade away; and though our hearts were*

*breaking we knew you
could not stay. You*

*left behind some aching
hearts, that loved*

*you are most sincere; we
never shall and never
will forget you.*

*Love,
John & Janice*
