“ *Our family cherishes our time with Sonya. She has always been a shining star even way back at Kennedy Collegiate. She's been our confidante, our beloved friend and the only person who sang "Happy Birthday to Bobby" like Marilyn Monroe. She made every get-together a special occasion, full of fun and her amazing cuisine. We relied on her more than we knew and we'll miss her more than we can comprehend right now. Our hearts go out to Ricky and Sara, their extended family and the world that has lost this incredible person. Love you forever Sony, Peuge, Bobby Waffle, Robyn (Yvan) and Darcy (Ella)* ”

“ *I feel so blessed to have shared so many happy and sad moments with my adopted sister, Sonya. She was the most loving and generous woman, always putting her family and friends ahead of herself. We all remember Sonya's smile which will live on forever in our memories. Rick and Sara, I know you have so many beautiful memories to comfort you over the years to come because that is what Sonya lived for .... to make your family life the best ever and she did that! I will miss Sonya dearly, but have such wonderful memories of our time together. She is now joined with her Mother, Father and brother and continues to watch over you Sara and Rick. Love and prayers to you both. ❤️❤️*

“ Happily I always saw Sonya at her best when we were sharing a meal in a Pub or an outdoor cafe or shopping for some special occasion that she would attend with her handsome husband Rick and her beautiful daughter Sara. I am so lucky to have even met Sonya. That only happened because of her enduring friendship with my sister Shirlee. Sonya adopted Shirlee's sisters as hers and I loved that. She had a love of life and nothing meant more to her than her family and her friends. I am so happy that I had one last short visit with Sonya at PMH while she was getting IV fluids and she chatted happily as though all was right in her world. I didn't know Sonya for long but her impression on me will be a forever one. We had promised each other that we would do a big trip together because we both loved travel. I am so sorry that we never got to do that but am grateful to have shared in her memories of her travels. Rick and Sara....hold on to the joyous times and remember Sonya's laughter and goodness. She will always be with you. Love never dies! God bless you both!

“ Dear Rick, Sara & Family, I'm so very saddened to hear of this  
news. Sonya and I connected on social media last year - after all,  
we are family through you Rick 😍. Although it's been years and  
years I've always been kept informed of family through my Mom  
(Della). Sonya and I shared some lovely comments all the way from  
Australia. I enjoyed seeing her big smile while on vacation with you  
Rick and of all her proud moments with you Sara. ❤️ Those  
memories will never fade.  
I'm sending all the love, light and prayers to you during this time. I  
plan to be in Canada soon so I hope I can attend the celebration of  
Sonya's life. Much love, Laura, Stefan & family xx
