“ We are very sorry to hear that Aunt Fia passed away. I had the privilege to meet her several times visiting Holland. Last year we visited Canada ourselves and we met Aunt Fia and Willa at the ‘family gathering’ at Ron and Diana’s house in Pickering. This little grand old lady was cheerful and with great humor, even though she had a broken foot at that time. ‘Never grow old’ she said to us. I think she had an interesting and rich life, it was a delight knowing her and we all will miss her. We think of all the family members left in Canada and in Holland. I have attached a picture of Aunt Fia with my mom and dad, on their trip to Canada in aug 2008, and a picture of Aunt Fia on a similar trip in 2004. Carla & Peter Kors, Anouk & Mathijs

“ We want to send our condolences to family and friends from aunt Fia. She was the jongest sister of my father Martien Kors. When Fia was in Holland and we saw her we laughed a lot. She was nice and special. We have good memories about aunt Fia.
