“ Dear auntie Fia. That's how my mom and dad always named you, Fia. I remember your voice, the tone of your voice. You always spoke with a mixture of Dutch and English, it was so nice to hear. I remember your face and your smile. I do believe you are safe and sound somewhere. If you see my son James*, please tell him his mommy is so proud of him and loves him so much ..

*In loving memory auntie Fia.
