

Mr. Spiros Romano Germinario

September 20, 2017

It is with great sadness to announce that Spiros Romano Germinario has passed into the loving arms of God and his Holy Mother Mary on September 20, 2017.

He was a loving devoted husband to his wife, Anna (Roff) and was the caring father of Richard and Susan (Wood) and son-in-law Robert Wood. He was an affectionate and attentive " Papi " to his wonderful grandchildren Connor and Veronica.

We are all blessed to have shared his life of adventure, happiness and love....
" for nothing loved is ever lost, and he was loved so much ".

The family will hold a private memorial after cremation.

Donations to ALS are appreciated.
