

Mr. Stephen Michael Bouckley

November 18, 2017

BOUCKLEY, STEPHEN MICHAEL - Stephen was born on April 11, 1957 and died on November 18, 2017. (Only 60 years old). He loved his family and was loyal to his friends. He drag raced Camaros and spent many happy hours fine tuning his engines and developing computer programs to assist in improving their performance. He was a movie aficionado with boundless knowledge of film trivia. He worked as a machine repairman in the Battery Plant and Car Paint Shop of General Motors of Canada Limited. He was universally known as a very genuine person and those closest to him greatly appreciated his dry wit. He will be sadly missed.

Predeceased by his father Doug, Stephen is survived by his mother Joan, sister Bonnie (Henry Russell) and brothers Brent and Barry (Heather). He is also remembered by his nephew Isaac and niece Lea.

The Bouckley family praises and thanks the Critical Care and Supportive Care teams, at Lakeridge Health Oshawa, for their excellence in providing compassion and competency.

Respecting Stephen's reserved, unassuming demeanor, funeral services will be minimal and private. In lieu of flowers or donations, buy yourself a beverage of your choosing and toast Stephen --- to celebrate his life and your greatest memories of him.

“ It was with shock to read of Stephen's passing. On behalf of the Battery Plant people I would like to express our condolences to his family.

Stephen was a excellent, highly thought of tradesman, great car guy and a pleasure to have work for me.

I always enjoyed talking to him, and when he was on the job it was done quickly and to the highest level of skill. The world lost a great tradesman.

I hope he is looking down on us and with his sheepish smile thinking "Wow it was a good ride."

“ Stunned to hear of Steve's passing.
I'll always think of Steve when I hear the song Greased Lightning.
Back in '78 a bunch of us (the cruising bunch) went to see Grease
at the movies. After the movie, shy reserved Steve feeling inspired
by
John Travolta's moves, decided to hop on the hood of a car right at
the
four corners in downtown Oshawa and gave us a quick rendition of
Greased
Lightning. It was hilarious. A moment never to be forgotten. Back
then we
called Steve "Bouckley". Everyone knew who you were talking
about if you
said "Bouckley". Rest in peace Steve.
