“ To Stephens family, I am very sorry for your loss. Thank you Christine for letting me know. We were best buds for many many years and kept in touch right before Christmas. We shared the love of sports whether B.C. or ONT. teams. Canucks vs. Leafs, Argos vs. Lions and the Blue Jays,,,of course. We shared the same sense of humour and were born the same year. We worked together at Delmar in Vancouver. I had started with Delmar at Toronto airport back in the late 70's so we had so much in common. We helped each other out with shipments in each others cities when Steve moved back to Toronto. I fly out to Toronto twice a year to see my family and we would meet up at his favourite drinking hole at the airport after his work shift ended. Please know Stephen was a master at his craft and not recognized fully for his talents. Sometimes when he had to work the weekends he would contact me for a chat to help pass the time. I will miss Steve very much, words cannot say. He was and always will be a dear friend of mind. God Bless you Steve. If you can sprinkle some heaven dust on the Canadian teams it would be much appreciated. This is not good bye Steve. I will see you on the flip side. Hold a spot in the stands for me, will ya. Have the beers and hot dog ready, please. Love Barb
