

## Mr. Stephen Franklyn McGahey

March 5, 2015

Steve - a.k.a. Reggie passed away with family at his side on Thursday, March 5, 2015 after a courageous battle with cancer. Survived by wife Christine, son Bryan (Sonja), brother Douglas. Steve was not only a great father to Bryan but to many of Bryan's friends as well. Steve enriched the lives of many with his amazing sense of humour, his entertaining stories, vast knowledge of just about everything, and his generous spirit. He will be especially remembered by his good friend Rick.

The family wishes to thank the staff at the Dorothy Ley Hospice for their support and kindness to Steve. As per Steve's wishes there will be no service. Cremation has taken place. A wake in Steve's honour will take place at the home of Christine and Bryan McGahey on Sunday, March 29 between 12:00 noon and 5:00 p.m. For those who wish donations to the Dorothy Ley Hospice, 170 Sherway Drive, Etobicoke M9C 0A7 would be greatly appreciated.

Somewhere now, Steve is enjoying a short one with many of his friends and family, looking over all of us, reminding us daily to be kind, helpful and enjoy the time we have with our friends. Great memories Stevie and lot's of laughs. We will miss you.
