“ I wil really miss reminiscing with Steven , remembering our days at Ashton Park Secondary school, , the antics & the teachers he remembered always made me laugh. Steven had so many stories to tell some I recalled some I didn't ! Also. growing up in Bristol in the sixties was an experience with both shared and joked about. It was an honour to have known him & I feel so lucky that we both happened to go into our high school web site one day & were able to re connect.. RIP Steven, find your wings. & enjoy dancing among the stars with your daughter .. Your family & friends will be looking for you both as you twinkle in the night sky.

“ So sorry to hear about Steve's passing. Remembering many warm nights at Care From the Core in Regina watching his work and listening to his ideas and stories. He joins Jan, I am sure, ever expanding their knowledge in the area they both loved. Much love to all ♥

I met Steven in the early 80s and saw his extraordinary production of Dr. Faustus and had an unforgettable "acting" course with him. It was a treat to reconnect with him after decades and find him as vital and engaged as back then. He was a unique person and i will miss chatting with him. etzel cardeña
