“ Oh the memories at the Stiles big house with the screened porch where we kids often slept on hot summer nights. When we stayed there it was as one big family with all the love and care we would get at home. Loved Mae's cooking and especially cherish a trip she and Uncle Rolie took me on one summer to Nova Scotia. Sylvia, Sally and I stayed at great Aunt Pearl's where we helped her with her chores and gardening. All of us kids just blended together like one big family. What I remember most about Stewart is his kindness in teaching us young'uns how to do things from pitch a tent to tie a knot. So many memories of our clan gatherings until we left Ontario. Stewart will be missed and I know his mom and dad will be there to greet him in heaven. Love and hugs to all concerned from Janice, daughter of Harold and Marion Stiles ❤️❤️❤️
