“ It is with a heavy heart that I write this note.

Susan was a lovely woman who I had the pleasure of spending some time with, not enough time, but we did have several nice outings and visits.

I do wish you had more time because I believe you found some true friends at Orchard Villa that eased your heartache and gave you a sense of belonging after many years of sadness.

May you Rest in Peace Susan.

My sincere condolences to Donna, Jackie, Leslie & their families
