“ *Terry you shall not be forgotten. You leave behind lots of loved ones whom you opened your heart too and have blessed us with knowing you. I sure Mom, Jay, Dad and Chase had met you at the pearly gates with open arms . I am glad your suffering is finally over. Know that I loved you and will miss you greatly.
Your loving sister in law.*

“ I remember the day we set up the trampoline in yard at aunties, was the greatest day of my life until I saw how much fun you were having and than I thought maybe it's the greatest day of his life, but what do you really know around the age of 12. The only thing I knew was you were something special from that moment. You always had a smile on your face and that's how I'll remember you. I love you uncle Terry. Forever love #fuckcancer #foreverterry
