“ Words can't begin to explain the shock and grief I'm feeling. I can only imagine what Madison and Suzanne are going through, as well as all of Terry's family and friends.

He was taken from us too soon. His loving spirit will live on in our memories. The only comfort is knowing he is at peace and with Cory, Aunt Myrna & Uncle Fred.

I feel so fortunate that we reconnected these last few years. We never know how much time we have with our loved ones. I would never have guessed that Terry would leave us at 61. He was just telling me on his birthday that he "got 8 reps at 315 so the old man still has it." He also told me how he had a great talk with Madi. I know that meant the world to him. I will always treasure our conversations. He could always make me laugh.

I love you and miss you, Terry.

Your Cuz,

Michele

I remember playing hoops with you in your driveway in Leaside when I was 12, and that very last hoop you missed - nobody could make me laugh like you could. Nana B secretly gave me the pink elephant you won at the Ex that year, I'll bet you never missed it. I remember asking you, do we really have the same grandmother? I'll always remember playing croquet in your backyard when we were little. And the time we set out to see "Being There" but the show was way too crowded so we just went home. Years later, when I saw you at a distant party, my boyfriend so drunk you carried him to your car and drove us home. Always a gentleman. "Goodnight, sweet prince, and flights of angels sing thee to thy rest."

First of all my heart goes out to Jennifer and Madison Peters and words really can not convey how sorry I am for your loss!

To My Cousin Terry, I will always remember your great sense of humor, warm heart, and beautiful smile!! You will be greatly missed! I am so sorry "The Carroll Family" never got to see you again. You were supposed to come visit us in California but life happens. You were one year younger than I and I recall that we both had "first communion" around the same time, I, just across the border in Niagra Falls, NY and you in Toronto. I believe it was 1963. I am sure Cori, Aunt Myrna (Mum), Uncle Fred (Dad), and Nana "Irene" were waiting for you on the other side!

Love you Cuz! May you Rest in Peace. Marlayne Carroll Berger

“ *Truly sorry for the loss of Terry at such a young age. I have many fond memories when his mom and dad were still alive and shortly after of the many happy times with family events. Terry always had an adventuresome spirit. Courage and kindness, and being a great father to his children were his valued virtues.
With sympathy Sophie*

*I had a nickname for my nephew "Mr. Personality" because you always
greeted us with your grin. You will never be forgotten Terry. Nanna
Peters thought you were special because if there was any news about
you, she would telephone the family members and pass on the
information, and wear a grin as she told us the details. She was very
proud of you.*
