“ Terry was the love of my life. No other women made me so happy and so much on my toes all the time. For me, she is irreplaceable.

Terry a été l'amour de ma vie. Aucune femme ne m'a apporté autant de bonheur et en même temps m'a tenu sur mes gardes en tout temps. Absolument irremplaçable.

“ I miss you so much mom. I'll never forget all of our memories, laughs and cries. Mike and I can't stop thinking about you. Just yesterday I smiled when we got lost in England. You let me lead the way and we ended up in the opposite direction of where we should have been. Until we meet again mom. Please visit whenever you want.

Always and forever. I love you!

Amanda*

“ *The darkness fills the rooms around, and I sit and wait for your sign or sound. Why won't you come, for you know I wait. I feared for you, for your lack of faith, but now you know him and his amazing grace and by his side you'll take your place. But thinking back upon this day you came to me with three knocks, the sign of the trinity. I was so broken by the loss I felt I didn't realize you were there yourself. You came in sound and simple form, and my God dear friend how much I mourn. We raised our kids up side by side, you pushed and pushed until you made me drive. We celebrated with a cup of tea and laughed and laughed at how afraid I'd been. The peace you've found now is filled with love and your earthly burden is but a shrug. I'll let you rest now, and I'll go on but feel free to visit any time you want. I'll know it's you, I'll feel you near for friendships like ours just don't disappear.*

*Always and forever your Friend
