

## Mrs. Thelma Esme Westmaas

June 10, 2017

Thelma (Trixie) Esme Westmaas, nee Grimshaw passed away peacefully on Saturday 10th June, 2017 at Belmont House in Toronto, Canada.

Trixie was 92 years old.

She was the wife of Leonard (Bill) Adrian Westmaas (dec'd), sister to Bill Pullen, Jean Gibbs (dec'd) and Pam Sabga (dec'd), loving mother to Susan Conliffe, Nancy and Mark Westmaas, Grandmother to Stephanie Ellery, Christopher Conliffe, Petroc "Rocky" Westmaas, and Great Grandmother to Tiler and Mackenna Ellery.

Trixie will be cremated and her ashes placed next to those of her husband. Details on how we plan to celebrate Trixie and Bill's lives will follow.

Trixie was a craftswoman and will be remembered for her beautifully decorated birthday cakes for her family, and the embroidered skirts and dresses she made for Susan and Nancy. She was also mischievous and will be remembered for telling Bill, after we were stuck behind a pedal cyclist on the road, to `blow your horn and make him go down in the mud`.

The family would like to thank the caring and helpful staff of the Belmont House for making her stay there so pleasant.

“ *Aunt Trixie was a very special lady. This wonderfully loving wife and mother had the foresight, many years ago, to rescue family photographs and memorabilia that otherwise might not have been saved ensuring that many of the past Westmaas faces and names remained known.*

*Speaking to her prior to the passing of her beloved husband, Leonard 'Bill' Westmaas, I asked her what was the secret of their long and happy marriage. Thinking maybe she would say, trusting each other, respect, love....No, she threw me for six. She responded, "Good sex!"*

*A truly unique spirit. Your candle will always be lit in my heart.*

“ Grammar was very special to me. She was my second mom. We lived next door growing up and my mom use to send me over to have dinner in the hope that grammar could get me to eat my carrots which I hated, and still do to this day. She did get me to eat one on occasion but I always won in the end. I remember her little dashound Minnie who copied her contagious laugh and would show her teeth when grammar laughed. She was special for sure and I will miss her dearly. ❤️
