“ *Good-bye matante. You were always like a second mother to me as I hung around with your bunch of kids all my life. They always said I was # 10 as I was the most like you so I must have belonged with your bunch. I will always miss your smile and laugh whenever we had big get togethers, all those Christmas Eves at your place, midnight dinners and everyone dropping in to your house. It was a tradition for the whole family!! Miss you very much and hoping you and all your family had and will be having big parties up there in Heaven to celebrate your arrival. None of us will be far behind. Condolences to the whole family and many prayers to keep all safe.*

“ Mom, I am so thankful that I was able to be with you my whole life. My world will never be the same. You were the rock and foundation of our family and we all felt comfort in your strength. You lived your life for all us and I am eternally grateful to you for giving me all your Love as you have always had all of mine. I miss you so much that I can feel the hole in my heart, the lump in my throat, the sorrow in my soul, You were and always will be my best friend, I miss holding you, I miss taking care of you as you always took care of me, I miss our jokes and singing and dancing with you. You will always be with me in my heart and in my thoughts.
Mom, I can only hope that I made you proud, as I have always been so proud of you, I do wish that we could have had more time together, but it was time for you to go. Rest now my sweet Mom, enjoy your new life reunited with Dad and all who have gone on before you, I can only image the joy and peace you must be feeling now. I will miss you always and I will Love you forever❤️❤️
Love always Lisa (your guardian angel)

“ I cannot share ONE memory about one of the Best Grandmas in The World. I have so many memories from childhood to present. She was very strong and always was a rock for the family. I miss her so much but I know she is in a better place with Dad and that is what helps me get through the losses. I Love You Memère always and forever. Until we meet again. Love Kimmie ❤️

“ Mom, I miss you so much and think of you always! You were always there for me whenever i needed you! I wish you could still be here! You didn't say much, but your actions spoke volumes! You lived a simple life and didn't always have it easy but you never complained! You never had much and never wanted much but yet you gave so much to everyone! It hurts so much to not be able to see you and hold your hand anymore! I can't wait to see you again on the other side! I Love you with all my heart mom! You were the Best Mom Ever!!!! Love forever and always, your daughter Denise xoxoxo❤️

“ Mom,

There is no Love like a mother's Love. Mom I love you so much and miss you alot. My heart is so broken and I feel so empty inside without you. I feel you everywhere mom. You were my world.

There are no words to describe such a loving and caring mother you were to all of us. I miss holding your warm hands mom. I miss taking care of you. I miss your smell. I miss your beautiful contagious smile and most of all I really miss our talks we had together.

You truly are and will always be the best Mom ever. I know that we will always feel your Love Forever. You will always be with me in Heart. You will always be with me in Mind. You will always be with me through all the memories.

*I Love you so much Mom. You truly will be so missed.
May you rest in peace Mom with Dad and the rest of the Family whom we still miss and love. Until we meet again.*

Forever and always in my Heart. I Love you Mom. ❤️❤️❤️
