“ Thinking of you today Trevvy - I cannot believe it's almost a year since you've left us. I speak to you often, and send strength and healing to your Mum and Dad, and your beautiful sister and family.

I swear this picture still feels like yesterday...but as Mitch Albom said, Death ends a life, not a relationship.

Sending you love love love until we meet again <3

“ *My sincere condolences to the Doyle family.*

I just learned of Trevor's passing last night. Trevor was a close childhood friend of mine. I will always have fond memories of the crazy things Trevor and I did together. And despite not being in contact with him for nearly twenty years, I am deeply saddened by his passing.

Rest In Peace Trevor
