

## Mrs. Ursula Meta Auguste Kuehn (nee Braun)

October 7, 2016

Born March 13, 1932

On October 10, 1956, Mami/Oma/Uschi/Ulla (and most recently, Little Bear), arrived on the shores of Canada, meant to be her first stop on her journey to travel the world. She arrived with a new outfit, very little English and \$5.00. In the early hours of October 7, 2016, she continued on her journey.

She will always be remembered for her easy laugh, love of dancing and singing, being a good sport, star-gazing, cakes and soups, backstroke, her courage, love and passion. With many tears she will be missed by her 'former sweetheart' and husband of almost 60 years, Klaus; her Spatz, daughter and friend, Daphne; grand-daughters Kate (Mike) and Rebecca (Charlie); daughter-in-law Marilyn and son-in-law Carey; sister Hannelore; nieces and nephews Ina (Wolfgang), Christine (Detlef), Jonas, Hartmut, Sascha (Nicole), Sinja (Thorsten) and great-great-nephew, Nevio; her many friends; and, Bamboo and Milo. Pre-deceased by our beloved Rodney, after whose loss her heart did not heal; sister Inge; brother-in-law Gunter; and, nephew Horst.

There is great consolation in knowing that she and Rodney are together again and have the opportunity for many more mother and son adventures.

If desired, donations can be made to Zachary's Paws for Healing ([www.zacharyspawsforhealing.com](http://www.zacharyspawsforhealing.com)). Our heartfelt gratitude to the exceptional staff of Ajax Pickering Hospital, 2 West.
