

Valerie "Mary" Schuster

November 8, 2024

Valerie "Mary" Schuster born on February 8th, 1943 to Thomas McGeever and Florence Anne McGeever in Ilford England. Mary passed away peacefully on Nov 8th, at Sunnybrook hospital. Mary was born in the UK and studied nursing in South Shields before moving to Canada in 1969, where she lived in Toronto and worked at the Central and Wellesly Hospitals. Mary enjoyed life to the fullest and was an avid world traveller. She loved cooking and entertaining for her friends, and was a loving cat mum to her many feline babies over the years. Mary became interested in genealogy and was thrilled later in life to discover and connect with new family members in the UK. Discovering new cousins brought her much joy and happiness. Mary will be sadly missed by her goddaughter , Sally Peck , and her family and her many friends who shared her love for life, travel, birding, her friends from nursing, and her bridge group. We wish to thank Dr Teresa Petrella and her team at the Odette Cancer Centre, Sunnybrook Health Sciences Centre for their wonderful care of Mary. In accordance with Mary's wishes there will not be a formal service

“ *Mary lived two floors above me in Bldg C of the Garden Court. I have many good memories ‘of fighting the good fight’ as part of the Tenants Association, rescuing her cat after it fell three stories (the cat was fine , the two of us less so), and many years of her being a truly kind and good neighbour. I will miss her.*
