“ I cannot tell you how sorry we are to hear about Uncle. We were shocked and saddened by the news.

Uncle was a very wise & a gentle person. I always remember the first time when I met him at your place he was so happy and he even sang a song ,I didn't know that he was such a wonderful singer that was a very happy moment & cannot forget the love & care he showered on me .

He will be missed greatly and  
He will live-on in our heart forever.

Please extend my sympathy & love to mom and the rest of your family.
