“ *I worked with Victor on jobs around Harbourfront Centre for close to 30 years .He was always kind and patient with me .,Even when I didn't have a clue what to do ,he would call me over with this serious look on his face ,put his hand on my shoulder And proceed to tell me some funny story that had nothing what so ever to do with what was going on.*

*I think he enjoyed the look of bewilderment on my face !Then he would explain what needed to done.*

*Victor was always a pleasure to work with and I have missed him.*

*I am so sorry for your loss.*
