

Vittorio Susini

June 28, 2020

Vittorio Susini. 1927-2020. It is with great sadness that we announce on the evening of June 28th, Vittorio passed away at Woodbridge Vista Care Community. Vittorio suffered from mixed dementia (Alzheimer) and pneumonia attributed to Covid-19.

At the time of his passing, he was cared for by the staff of Woodbridge Vista, the William Osler Nursing team and the Canadian Armed Forces in support of the Covid-19 pandemic. His family is forever grateful for the caring nurses, PSWs, recreation coordinators and volunteers we all encountered. We are sure if he could have expressed it, he would have said this himself. We want to also acknowledge the many PSWs from Spectrum Health, throughout his journey since diagnosed with early dementia in 2001. They were our extended family and made him smile no matter what the circumstances.

Vittorio is survived by his spouse Anna (Nina), his daughter Lina and spouse Silverio, his son Giovanni and spouse Maria, his grandsons Jon, Jason, Vincenzo and Sebastiano.

Vittorio immigrated to Canada with Anna from Italy in the 1950s. He was a dedicated labourer and respected within his working life. He was known to be a highly pragmatic, a meticulous worker, and a joy during family gatherings. He spent the first 23 years, in Canada, working his way up as a labourer with

the Canadian National Railway eventually landing a position as Chief Foreman for 10 years with VIA Rail at Union Station, in the food services division. Vittorio picked up various other contract jobs over the years as he was known to be a very knowledgeable home builder and tradesman. Both Vittorio and Anna spent their retirement decades together in their homes in Richmond Hill and Whitby prior to entering Woodbridge Vista Long Term Care in 2015.

At this time due to COVID-19 restrictions, no memorial service is planned. All condolences may be left at www.aftercare.org. Vittorio's remains will be laid to rest at Groveside Cemetery's "Garden of the Four Seasons" in Whitby. A memorial tree will be planted near by with plaque to commemorate his love for gardening and nature.

In lieu of flowers, the family requests that those who wish to honour Vittorio, can make a donation to the Alzheimer's Society.

“ Hello everyone, I’ll write this memory personally instead of coping and pasting. I didn’t know my Nono very well but I do know he was always smiling and telling jokes. He was a strict man when it came to discipline and he always promoted the importance of school and exercising the brain when it came to retaining knowledge. Vittorio was a hard working man, I knew that much about him. I wish I had more time with him to pick his brain about his life experience as I’m sure he had a ton of it. I’m sorry to everyone involved and I hope they’re able to move forward with with an abundance of strength during this rough time. Thank you for allowing me to share my memories of my grandfather the great man Vittorio susini

“ I will always remember the time I shared with this man . He was
always ready with a story or joke .He loved to go on long walks . I
will always remember the times we spent together picking fruit from
the backyard ,interacting with the chickens and hang out in the
basement watching tv. I will miss those times . I am saddened by his
pasting but will always remember the great man, husband, father
and grandfather that he was. My deepest condolences go out to his
