Our heartfelt thanks & appreciation go out to Barb States & the incredible staff who are very compassionate, caring & who immediately accepted him as family at Bob Rumball group home where he resided during the last 10 years. May God continue to shine his light on these very special people so they can continue giving dignity, compassion & loving care to those in need.

Wayne left a lasting impression with everyone who knew him with his happy personality & laughter. He also enjoyed music, dancing, bowling, & always liked to volunteer with bowling when he no longer could & also liked helping at the food bank. He particularly enjoyed a trip to Cuba, and staff taking him to Jay's games.
