“ *Fond memories of our family when we were close on Flagship. Mom was alive and Dad. Mike (brother) and I shared many times together putting together car models and going for rides in my cars with my little brother.*

*Kathy and I are in Port Dover, Ont. and have been here for 6 years. It is sad that we have not been in touch and would like you to look us up Mike. Phone no is in the book and Facebook is Kathy Turner Grove. We miss you and love you. Your brother Cliff.7*
