“ *A day in Algonquin*

*Mist in the morning,
Pours from the lake.
Sunshine Sparkles...
There's breakfast to make
Smelling coffee and morning
Choosing journeys to take.*

*Evening falls
The stars flicker bright.
The crackling fire
Is my warmth and light,
In my cosy cocoon
I smile through the night*

*Bill did not know you long
But the memories i have are strong*

May you rest in peace
