William (Bill) Carl Emmerton

February 13, 1941 - March 11, 2023

On the evening of March 10th we suffered a great loss. A kind man with a personality larger than life itself, Bill passed at home as he requested with friends and family never far from his side. Bill was the only child of William and Martha (Marge) Emmerton. He will be sadly missed by his devoted children Sonya (husband Kelly) and Shawn, his 5 grandchildren (Mackenzy, Liam, Jessica, Jarrod and Callum) and his countless close friends. Bill will also be remembered by his companion Diane Dean and her family. Known for his motorcycles, cowboy boots and guitars, Bill had a generous spirit, an unmatched wit and charmed everyone who was lucky enough to meet him. Bill loved to spend winters in the warmth of Florida and summers back in Canada. He was happiest surrounded by friends and family, enjoying a cold beer and listening to country music. Bill was an entertainer at heart producing his own CD of country favourites and was always up for a pick-n-grin session here or across the many states he traveled. Bill's adventures on his bike spanned from the West coast all the way to South America. Bill also had his pilot's licence. What he experienced in his 82 years would rival what many could experience in 10 lifetimes.

In lieu of a funeral the family will host a celebration of life at a future date to allow friends and family to gather and share memories. Please save the tentative date of Friday June 2nd, 2023

Rest in Peace Skinny, we know it never rains on you.

“ My kids called him “Grampa” even though he was my step father-in-law but he had nicknames for them both “Muggins and Curly”. He used to bring crackers all the time from Teddy’s for our dog. Had fond memories of his songs especially “the cat came back”. Glad to have had the pleasure of knowing him and there will never be another one quite like him, always full of stories. Hope you are up above playing your guitar, may you rest in peace!❤️🙏

“ Bill whom I referred to as “dad” left me with nice memories of an individual that was open , brave , courageous with a great sense of humour. His trust in God whom he referred to as “Andy” while I referred Him to as “ Man above “ leaves me with his favourite hymn “ and He walks with me , and He talks with , and He tells me I am His own , and the joy we share as we tarry there, none other has ever known.....”. Bill(Skinny) , walked with His Father(God)above, he ran the race and finished his journey. I trust and believe as one of his personal caregivers, Bill is sleeping until that glorious morning. I appreciate the opportunity , Bill and his pretty daughter Sonya , handsome son Shawn and grandchildren, gave me to be part of his life. Let God grant you peace and comfort all the days of your life and follow Bill’s legacy (sense of humour). 💕🙏

Our family lived with Bills family on Whitby Street Toronto after immigrating from England. We also were fortunate later to spend time with Bill and family at the Emmerton cottage. Bill was always a barrel of laughs and a lively soul. His laughter will continue to permeate Rest In Peace Cous
