

Mr. William Davey

August 22, 2015

It is with heavy hearts that the children of William Davey, 74, announce his passing on Saturday August 22, 2015 after a very brief battle with cancer. William, born June 17, 1941 in Belfast N. Ireland is predeceased by his mother and father William and Margaret Davey, nee McKeown. He is survived by his brothers and sisters; John (Sue), Brian, Mary (the late Desmond McDonnell) and Ann as well as his eight children, Anthony (Louise) Stephen (Brenda), Catherine, John (Penny), Peter, Sean (Seija), Jack (Sarah) and Liam. Grandchildren Carson, Faron, Alex, Megan, Adam, Sydney, Greta, Emma, and Zoe. William was a professional musician for most of his working life. He emigrated to Canada in December, 1972 with his band The Par Three and spent the better part of the next 15 years performing and touring across Canada and parts of the United States. They recorded two albums and had two hits on the Country Music Charts. His only bigger love than music was the love he had for his children and grandchildren. He bragged about them and was as proud as a father and grandfather could be. The family would like to thank the doctors and nurses of Princess Margaret Hospital, Toronto General Hospital and SunnyBrook Health Sciences Centre, Palliative Care. A very special thanks to Dr. Debbie Selby, Dr. Harleen Toor, nurses Jennifer, Tigist, Cynthia, Leslie and Livia, and Gerry Beaudoin for the excellent care and compassion they demonstrated in his final days. Cremation has taken place and a mass will be said in his name at a future date.

“ Thanks Bill. You Made me King of The Buskers In Brampton. We had good times and good music back in the days of Ros and Thistle. Wish our paths had crossed again.

“ Many years ago Bill and I were playing with the singer Jimmy Carton. Jimmy had a gig in Cleveland but he didn't have the customs paperwork. He drove across the border with a friend, while Bill and I were travelling in my car with a guitar and a bass. The border agents thought there was something fishy about the instruments, so they split us up and grilled us. When they eventually told Bill they were going to seize my car, he came clean about the gig. After some more threats and insults, they sent us packing back to Toronto. That particular trip was a waste of time and money, but it was always a pleasure to spend time with Bill. The last time I saw him he greeted me with as much warmth as anyone ever has. I'm glad we had that little adventure together, and that we got to make music together many times. He could sing and play, he could certainly charm a crowd, and he was cordial to a fault with everyone. I'll always remember Bill. I wish I didn't have to wait so long to see him again.

“ So sad to learn of the passing of Liam (as we knew him). Ran into him a few years ago in the Windsor House where he was playing. I believe it was Anthony's birthday. Liam was a great guy and we heard him and the Par Three many times in the early days. Rest in peace Liam. With deep condolences to all your children and grandchildren from Mary Megahey (nee Lundy) and family, and Madeleine Magee (nee Lundy) from Belfast. Eternal rest grant onto him O Lord, and let perpetual light shine upon him, may he rest in peace. Amen.
