February 18, 2024

In Loving Memory of William John Evans.

It is with deep sorrow that we announce the passing of William John Evans on February 18, 2024. William, aged 51, left this world surrounded by the love of his family and friends.

Born on March 12, 1972, William left behind his father John Evans, and sisters, Kristal, and Katie Evans.

Though William's family may be small, the impact of his kindness and the memories he created will forever echo in the hearts of those who knew and loved him. May he find peace in the embrace of eternal rest.
