“ Mr Gautby was an "OPA" (Grandfather) on Wickens Ave. As a kid, I used to love and watch him work on cars in his garage and driveway. He ALWAYS had a smile on his face and seemed to be living the dream. No matter what he was doing, he always stopped and took the time to greet me, a little kid, and gave me his full attention to all the silly stories I would have. The one memory that sticks out in my my mind is when I came to visit and the above ground pool they had was flat on the ground. I asked him what happened, he said " Mrs Gautby was swimming and the side let go. She always wanted a water slide and now she has one!" Today, I am 43 years old and have the honour of Mr Gautby being my "OPA" and he will always be there in my thoughts.
