“ We at #50, your next door neighbour, are hereby expressing our condolences to the family of William John Nichols, for William’s passing. We have had the pleasure of calling this family neighbours for more than 24 years and they have been the most welcoming, most accommodating people to call neighbors. William has always been so accommodating to my family. What a kind man! He always took the time to ask for the welfare of my family anytime I see him. William mowed my yard when I was in the hospital years ago. He even presented me a beautiful plant on behalf of his family. William John Nichols’ family would take my garbage bins in for me on many occasions. The family would get my mails on several occasions and keep them for me when I wasn’t able to or on vacation or visits outside the city. They would remove snow from my front yard on many occasions. What a wonderful family!! William and family are very familiar with my family, we are just so close. He was so so kind to us. We will dearly miss him. Rest peacefully, William and thank you so much for the love you showed my family for all those years. You and your family have just been such great people to call neighbors. William will be sorely missed. Our sincere condolences to William John Nichols’ family. May his soul continue to rest in peace.

“ Please accept our heartfelt condolences. We are so profoundly sorry for your loss. While I have not seen your Dad in many years, what I remember is his kindness and how he made me laugh. I loved hearing stories over the years about your Dad, and the joy he brought you, and the joy you all brought him. We hold your Dad and all of you in our hearts, thoughts and prayers. Much love, Kirsty and Sven
