

William Peeling

April 22, 2021

William (Bill/Billy/Mr. Dude) G. Peeling, December 18, 1947 - April 22, 2021. Bill passed away at Sakura House in Woodstock, Ontario, in the loving company of his devoted partner Shawn Hisko and his much-loved daughter Lisa Peeling. Bill was pre-deceased by his parents Lucy and Arthur Peeling. He leaves his sister Janice Conroy, and brothers Doug Peeling and Bob Peeling. Billy was a caring, fun loving, generous person. He loved being busy, especially in the outdoors during his many happy years with Shawn at the cottage on Baxter Lake. On De Grassi St, putting in the garden making things just right, with nary a weed going unplucked. In earlier years, he loved motorcycling and later years loved cycling. Prior to Bill's retirement he specialized in general contracting, space planning, design, while offering personal assistance to a dear friend for many years. Special thanks to his friends Bryan and Jim of Long Point, ON where he has resided during the COVID restrictions, along with an amazing Palliative Care Team and PSWs of Norfolk County. A private online celebration of life is planned for early May. He'll be greatly missed by his family and friends. If desired, in lieu of flowers, donations to Sakura House would be much appreciated by the family. Follow the link and view "Tribute Gift" to donate in his name.

“ My heartfelt condolences to Shawn and all of Bill's family. As the plant doctor for Aileen I saw Bill constantly over many, many years. Always a sweet darling, always super efficient at everything. May he Rest In Peace and may the ache of his loss be eventually replaced with beautiful memories.

“ Condolences to Shawn Hisko and Bill (William) Peeling's family. Bill was a wonderful man, and I had many good times with Bill and my brother Shawn while living in Toronto. Bill was an exceptionally kind, and hospitable man with a gentle disposition about him. I felt quite at ease and comfortable in Bill's presence, and many times he made me laugh out loud! Bill had many special skills and worked very hard! Bill is not someone you easily forget, as he had a special way about him. Peace be with Bill.

Bill will forever be in our hearts as a deeply caring, compassionate and loyal friend and assistant to our mom, and to us, for so many years. Bill could always be counted on and constantly went above and beyond his commitments with a smile on his face and a positive attitude. “ *I was saddened to see Bill's obituary in the paper today. I first met Bill when he worked for John Manuel - many years ago. I was working at the time for Vince Kelly, a good friend of Bill's. Vince passed away in 1989 and for many years thereafter I kept in touch with Bill and Shawn. Time and life intervened and I lost contact with them but they were often in my thoughts. Bill was a great guy full of fun. He always had great stories to share. He will be missed. Losing the one you love is so hard. What the two of you shared was truly something special. My condolences Shawn. Be well and remember all the good times you shared together.*
